TO: All County Lead Agencies (ACLA)

SUBJECT: SUBSTANCE ABUSE AND CRIME PREVENTION ACT OF 2000 COUNTY LIAISONS

The Department of Alcohol and Drug Programs (ADP) continues to explore ways that we may improve our working relationship with the county agencies responsible for implementation of the Substance Abuse and Crime Prevention Act of 2000 (SACPA). This letter is to notify you of the person in the Office of Criminal Justice Collaboration (OCJC) who is the liaison to each county.

Attached are lists of the staff in OCJC assigned to each county along with the telephone number and email address for each staff person. The person listed for each county is the primary contact regarding the SACPA County Plan, reporting requirements, and regulations, etc., for that county. This will permit the staff from each county to develop a working relationship with a single point of contact in OCJC. All of the ADP staff will be working together to assure that the counties are receiving consistent and accurate information for implementation of SACPA.

We look forward to our continuing work with you for the successful implementation of SACPA. If you have any questions about this letter, please contact the person listed for your county.

Sincerely,

[Original Signed By]
