The rates will be effective July 1, 2002.

**DISCUSSION**

[Exhibit A](#) includes the proposed reimbursement rates for FY 2002-03, which reflect input from the DMC Work Group and the Department's analysis of costs and utilization of the various DMC services.

These rates will be published in emergency regulation in Section 51516.1 of Title 22, and will be effective for FY 2002-03. The proposed regulations must be reviewed and approved by the Department of Health Services (DHS), the Health and Human Services Agency, the Department of Finance, and the Office of Administrative Law prior to publication. After these emergency regulations are published, the public has a 45-day period to provide comments to DHS. Responses to the comments will be prepared and sent to those individuals or organizations that submit comments. Following another comment period, the regulations will be issued in their final form.
