GLORIA J. MERK, II Program Operations Division			

PURPOSE

As mandated by AB 2071, this bulletin is being sent to each California County Alcohol and Drug Program Administrator to transmit the annual publication of contract procedures for the Negotiated Net Amount (NNA) single contract, NNA and Drug Medi-Cal (DMC) combined contract, and DMC direct contract for informational and planning purposes.

DISCUSSION

The Department of Alcohol and Drug Programs (ADP), with input from the County Alcohol and Drug Program Administrators Association of California, California Organization of Methadone Providers, and the Director's Advisory Council has developed the three-year contract process, which is based on the Governor's Budget (preliminary) allocation. This contract process is still in effect and has been streamlined to facilitate implementation of AB 2071. The three-year budget does not contain county-generated program, modality, and provider fiscal detail. The success of this endeavor is dependent upon ADP receiving a complete Budget Act amendment from each county by Friday, October 15, 1999, or 60 days after the Budget Act is signed.

These contract procedures, which will be updated and published annually, are divided into three sections: County, Direct, and Default Direct contracts. **The asterisks mark important, approximate dates in the process.**
