PURPOSE

The purpose of this bulletin is to transmit information related to the Fiscal Year (FY) 1999-00 CalWORKs substance abuse allocation and provide clarifying information in regard to previous fiscal year funding for CalWORKs substance abuse services.

DISCUSSION

The attached Department of Social Services County Fiscal Letter 99/00-21 transmitted the FY 99-00 CalWORKs substance abuse and mental health allocations to the County Welfare Departments. It contains allocations of \$60.5 million in State General Fund (SGF) for substance abuse services and \$57.7 million in SGF for mental health services. These funds are transferable between the two allocations at the local level to meet county need.

Prior year funding for these services was previously allowed to be carried forward into the next fiscal year in addition to the new fiscal year allocation. That is not the case for the 99-00 FY substance abuse and mental health allocations. The funds remaining unspent from the 98-99 FY allocation were reverted instead of carried forward. These reverted funds were used as a funding source for the total estimated need for the 99-00 FY allocation discussed above.
