MHSA Regional Housing Coordinator Technical Assistance (TA) Calls

Corporation for Supportive Housing (CSH) and CiMH staff coordinate and conduct monthly Regional Housing Coordinator calls in four regions to provide opportunities for counties to learn from one another, to allow CSH to provide technical assistance on a regional level, and to allow counties to discuss successful strategies and challenges they encounter as they plan for and implement the MHSA Housing Program. Additionally, DMH staff is invited to join calls to provide a tight feedback loop of the policy challenges, as well as to offer helpful resources.

These TA calls are enhanced with Live Meeting. To obtain Live Meeting access information, please contact Sandy Rose at (916) 379-5341 or e-mail srose@cimh.org.
Conference Line: (866) 633-8010 • Conference Code: 0582721099
