April 2009

The Resource Center Clearinghouse at the California Department of Alcohol and Drug Programs (ADP) is pleased to present the 2009 Publications Catalog. More than 600 alcohol, tobacco, and other drug-related booklets, pamphlets, research papers, posters, program descriptions, technical manuals and other helpful materials are included in the catalog and are available to California residents at no cost.

Our publications are listed by subject and alphabetically, with a comprehensive Table of Contents to assist you in quickly identifying specific areas of interest. Once you have located the materials you wish to order, fill out the reproducible **Publications Order Form located on the following page**. Ordering information is located on the reverse side of the Order Form; the Resource Center's mail, FAX, and E-mail addresses are located at the top front of the Order Form.

**Our publications may also be ordered online** through the Resource Center Clearinghouse website at: [http://www.adp.ca.gov/rc/rc\\_catal.shtml](http://www.adp.ca.gov/rc/rc_catal.shtml). There you will find a browse and search version of the Publications Catalog and shopping cart designed to provide you with the quickest and most efficient method of obtaining our publications. Again, there is no cost for California residents.

The materials in this catalog are gathered from many sources. The contents, opinions, and beliefs expressed are the views of the authors, and are not intended as official ADP policy. Questions or comments regarding these materials can be directed to the organization listed as the source in the Appendix.

We take great pride in making this important information available and hope you will find the Publications Catalog a valuable tool. Any comments, suggestions or questions about the Catalog are always welcome and can be directed to the Resource Center at 1-800-879-2772.

Additional information about Resource Center services, hours of operation, and methods of contact can be found on the back of this letter.

## **ABOUT THE RESOURCE CENTER**

The Resource Center (RC), California Department of Alcohol and Drug Programs (ADP), maintains a comprehensive collection of alcohol, tobacco and other drug (ATOD) prevention and treatment information. The following is a brief description of services provided to California residents at no cost through an information and referral system, Clearinghouse, a Media Lending Service and Internet communication links. Information is available to national and international customers through the ADP website. Additionally, the RC provides conference, exhibit and event services and support.

### **INFORMATION, REFERRAL AND ELECTRONIC COMMUNICATION**

The RC operates a toll-free, **non-crisis, non-emergency** statewide telephone number available for California residents needing ATOD prevention, treatment and referral information.

### **CLEARINGHOUSE**

More than 600 ATOD booklets, pamphlets, research papers, posters, technical manuals and other printed materials are available to California residents at no cost. The Clearinghouse provides this information to community and school organizations, families and individuals, prevention and treatment programs and government agencies. Printed materials are continually revised with updated information. Order Publication No. 3493 for a free Publications Catalog or view and download at the ADP website ([www.adp.ca.gov](http://www.adp.ca.gov)).

### **Media Lending Services**

The Media Lending Services area maintains a collection of specialized ATOD reference sources including books, journals, reports, and audiovisual materials. These materials are available for loan directly to employees of government agencies and organizations funded through county alcohol and drug programs, as well as through lending libraries. Order Publication No. 3603 for a free DVD/Video Catalog or view and download at the ADP website ([www.adp.ca.gov](http://www.adp.ca.gov)).

### **CONTACTING THE RESOURCE CENTER**
