

Release Notice: SACPA Reporting Information System Version 3.8

Release Date: 12/01/2005

Version 3.8 of the SACPA Reporting Information System has been released to production. Version 3.8 included an upgrade to the Annual Financial Status Report.

SACPA Reporting Information System Version 3.8 includes the following changes:

- The addition of an “ADP Received” toggle button on the Annual Financial Status Report.
- The toggle button will allow ADP to freeze the Annual Financial Status Reports when counties have finalized and approved reports.
- Counties needing to revise data after it is final may contact their SACPA County Liaison.

All County Lead Agency Letter No. 05-08 has been released in conjunction with the Release Notice.
