9/20/08	11:00am - 4:00 pm City Park, Vallejo , CA Alabama and Sacramento Streets	Dennis Wade (707) 647 1612 SolanoRecovery@aol.com	2008 Solano Recovery Day Seventh Annual Rally and Barbeque Sponsored by Solano Prevention and Recovery Alliance and The Fighting Back Partnership The aim of the rally is to spread the message that recovery from addiction is possible, that treatment for people in need is compassionate public policy and a sound investment. A major goal of this year's rally is to help educate the community that Addiction Treatment potentially affects every member of society in the communities they live, work and play in, because a person in recovery may live, work or play right next to you. We will have speakers on the benefits of treatment and recovery, present James McCarver Jr. awards to recognize community members who have made significant contributions to the recovering community, free BBQ, live music, and personal testimonials from people in recovery from addiction.
