

Rendering Provider NPI Alert – 10/18/2007

The rendering provider NPI is only required on the 837P transaction for counseling services billed with Procedure Codes H0004 and H0005. The rendering provider segment is optional for other procedures codes, but if used it must contain valid information.

- ☑ The Companion Guide Version 2.1, released on 10/18/2007, reflects the changes to the 837P Rendering Provider Segment on page 22.
- ☑ The Frequently Asked Questions, released on 10/18/2007, reflect the changes to the rendering provider segment requirements in question #3.
- ☑ Please make sure to replace all previously distributed versions of the Companion Guide and Frequently Asked Questions with the updated documents.

Please e-mail HIPAA1@adp.ca.gov with any additional questions.
